Dear Mr. Goldberg,

I would like to buy and 8x10 glossy print of ~~the~~ an AP picture, taken by ~~xxtx~~ your photographer James Altgens during the assassination of President Kennedy. This photograph appears on page 16 of "The Torch is Passed". Of the sequence of pictures taken by Mr. Altgens, this is the one that shows the person mistakenly identified as Oswald standing in the doorway of the Texas School Book Depository Building.

I would like the print to be of the uncropped negative. I intend using it in a book.

Will you please inform me of the cost, etc.?

Sincerely yours,

Harold Weisberg
